Founding Colorado Sponsor

Easton Sports Development
Foundation II

Founding National Sponsor

Specialized Bicycle
Components, Inc.

Major Sponsors

Primal Wear
Fox Racing Shox

December 7, 2009

Dear prospective board member:

We are very pleased and excited to extend a search for motivated individuals who want to build the Colorado High School Cycling League, based on the highly successful [NorCal High School Mountain Bike Racing League](#). The Colorado League will be a chapter of the National Interscholastic Cycling Association (NICA) which has formed in order to replicate the NorCal League in other states such as Washington and Colorado, just as it has successfully built the [SoCal Interscholastic Cycling League](#).

Like the NorCal League, the Colorado League will rely on the contributions of passionate cyclists who understand that the future of the sport is *entirely* in our own hands. We are looking for leaders who enjoy working as a team, inspire those around them, and are willing to invest in their vision. We are looking for champions of the sport that want to see more youth discover their potential both as cyclists and as individuals. We are looking for motivated individuals who are ready to dig into the work at hand and/or contribute to the fiscal needs of a brand new start-up.

If you are interested in this opportunity please take a moment to read the *Expectations and Requirements* document and submit the *Application to Serve*. **We hope you agree that your involvement will be a thrilling and rewarding opportunity to make a big difference in the world of Colorado cycling.**

Sincerely,

Kate Rau
Colorado League Director
